RE: Child Protection Policies

Friends:

This is important! Please do not delay in responding to this letter!

As a part of the registration process for Grace Presbytery sponsored events that involve children and young people, it is required that each group submitting registrations for those events provide us with confirmation that all participating Adult Leaders have been properly screened in accordance with an individual congregation's Child Protection Policy or the revised Child Protection Policy of Grace Presbytery.

In an attempt to simplify registration procedures and reduce the paperwork that we are asking from you, Grace Presbytery requires that each church participating in presbytery activities involving children or youth submit, on an annual basis, a listing of the adult leaders who have been screened through a security background check. As you recruit and screen your leadership for each new program year, we request that you complete a roster of "approved" adult leadership for the presbytery's files at the same time. These lists will be kept in a secure file at the Grace Presbytery office. If occasions arise that you should need to add or delete names, that can be done by calling the Grace Presbytery office and speaking to Faye Sanders or Kat Studley.

Please submit new lists by January 31, 2024.

Enclosed with this letter is a form for you to complete for the 2024 year. We would ask that you please complete this form and return via USPS or by email to Kat Studley at Kat@gracepresbytery.org.

If you have any questions about the necessity for such actions, please contact your church's insurance carrier. If you have questions about the Grace Presbytery Child Protection Policy, please check the presbytery's web site, or contact Faye Sanders.

Thank you for your assistance in this very important matter! Grace Presbytery takes the safety and well-being of our young disciples as a matter of the utmost priority!

Grace and Peace,

Children & Youth Ministry Committee, Grace Presbytery
