Greetings,

The West Region is an exciting place to be and there is a lot going on. Please join us in prayer and thanksgiving for a few things we have to celebrate. We give thanks for all the mission and ministry that is happening in and around the region. Be sure to share yours with us as well. Prayers for all who are gearing up for a busy summer season filled with activities for all ages. May you each be richly blessed by answering God's call for you this season.

Blessings and peace be with each of you.
