## Grace Presbytery

missional. relational.  
connectional.

Greetings,

What fun I had, scouring church websites and Facebook pages for photos of your churches in action! What joy I found in seeing all the amazing things you are doing! Small or large our churches are places of love, laughter, fellowship, fun and worship. My prayer for each of you as we enter this busy month called August, when pastors and worship leaders are preparing for back to school, packing kids off to college, kick-off Sunday's, fall worship schedules and beginning to think ahead to the coming Advent season, is that you find a moment to sit back, relax, breathe in God's peace and presence and remember God created you for such a time as this. Enjoy the journey!

Blessings and peace,  
Sharon
