# June Update

Greetings, Friends,

Summer is upon us and we have entered that time of year that is supposed to be easier and more relaxed. It often feels busier than the rest of the year, except for Advent and Lent. Children and grandchildren are graduating, VBS and mission trips are in the near future and hopefully, vacations are looming soon.

I hope you find time to stop, rest and breathe. Time to find the beauty of God's creation in each new day, to feel the presence of Christ walking beside you on those busy days and time to sit and feel the presence of the Spirit with you. Blessings and peace, Sharon

We want to keep in touch with you! Please help us make sure we have the most current information by updating your contact information and worship times by completing the survey [here](#).
