Trinity Grace Church is seeking a Stated Supply Pastor to serve in a part-time contract position with an average of about 15 hours/week. Specifics and compensation will be negotiated based on such factors as experience, preaching frequency, and the assumption of other duties, as well as meeting both the church's and the candidate's needs.

Our congregation includes a Thai Presbyterian Fellowship who worship in our Education Building simultaneously with us on Sunday mornings except on Communion Sundays, when we worship together. To spread the Gospel to more people through our actions, we serve the next generations with a weekly Children's Sunday School, and for families hold a monthly Food Pantry. We also provide meeting space for a community Bible Study, two emotional support groups, and share our worship space with two other different congregations. Additionally, we hold other events open to the community as The Spirit moves us.

The successful candidate will be expected to:

- Preach and lead at least 3 Sunday worship services per month, as well as special seasonal services such as Christmas/Holy Week.

- Plan and supervise the weekly bulletin.

- Serve as Head of Staff and supervise a staff of 3.

- Officiate at regular sacraments for the congregation such as Holy Communion, Baptisms, Weddings, and Funerals.

- Moderate the Session of 7 Elders and 1 Treasurer.

- Provide pastoral care.

- Support church-wide efforts and special events.
